this book is an inspirational book to those that are determined to hold on to god it s not a fictional book but everything that has been written in this book is truly an experience and encounter that has really happened in my life the lord has allowed me by my faith to walk through every page of this book and the only reason that i have conquered the things that has happened in my life is because of the relationship that i have created and developed with my god who is my personal savior and keeper of my soul i pray that this book will encourage somebody else to never give up on god no matter what your life might look like there is always hope and restoration in him if you know god personally it will be your faith in him that will establish you in your relationship with god learning and knowing the lord jesus in the real sense of knowing him will make a difference in your life completely taking god at his word is the first step to real peace in your soul mind and spirit when you allow the lord jesus christ to be the priority in your life there is nothing that god won t and can t walk you through in life he has truly been a healer and a doctor to me in fact i can honestly say as god told moises to say when he sent moises to pharoah to tell him to let his people go he told moises to tell pharoah that his name is i am that i am this means that god can be anything that you want him to be to you so i can say the same thing about god in my life because i have tried him because he has been an i am that i am to me everything that i needed him to be in my life there is no doubt in my mind or heart that my god is real i pray that this book will minister to your soul spirit mind and heart as you read it so open your spiritual ear to the voice of god and hear him speak to you

the end times are upon us and since god is more concerned about redemption than judgment he is calling all people especially the church to return to him in first love we have been given a commandment to love god with all of our mind soul will and strength and to love others as we love ourselves unfortunately such love is lacking many are crying out for revival but unless there is a turning back to god with sincere repentance there will be no substance for the fires of revival to be ignited during these end times gods love as does all love demands a response and he is waiting for your response when love is returned wholeheartedly who knows if god will rend the heavens and come down in power thus ushering in a revival that will blaze through our churches and nations bringing the much needed healing

out of the reverence that we carry for our foremothers and forefathers we have allowed the misinterpretation of scripture ordinances and theological concepts to be adopted and implemented by the church in consequence of their traditions following these traditions we have found ourselves adrift more than a hundred years off course and out of sync with the spirit of god which has stifled the growth of the church these traditions have yielded many falsehoods and teachings to which our churches have subscribed and disseminated across the expanse of this country of several one that damages the structure of

countless churches is the hierarchy of the sexes by examining the original language of the text and defining essential terms while also maintaining the context the implication of a particular verse can change understanding this we have found that the order of god that the church has embraced concerning the relationship between male and female is not the original order of god using the adam and eve narrative the redemptive work of christ on the cross and the atonement of the blood of jesus we have discovered that the original order and the heartbeat of god is equality between the sexes standing with a great appreciation the church should be commended for being the glue that holds our communities our families and even our personal lives together with humility i must offer this charge to the church go after the heartbeat of god rather than embrace what the church has permitted it is high time that the church awakens from its sleep and begins to study to show thysself approved a disciple needing not be ashamed being able to rightly divide the word of truth in applying it to every area our lives again out of humility i offer a word of caution if the truth is handed to you on a platter and then refused refuted and rejected you subject yourself to the hindrance of the advancement of the kingdom of god

a profound reminder of our role in god s vision for a restored and reconciled world the work before us this mission of god s is immense cosmic even the world is hungry thirsty homeless sick lonely imprisoned and enslaved because some parts are the creation is groaning in travail because of our abuse of the garden in which we have been set the body is ailing participating in god s mission is about seeing and responding to that collective suffering and beginning to understand our interconnection with the other parts of the body from the introduction in the christian tradition believers are called to

do more than sit around and pray throughout the gospel and throughout history people of faith have been quite literally booted out into the world to bring god's love to everybody not just a select few that's the meaning of mission from the latin verb mitto meaning to send it is the work that jesus and his disciples set out to do feeding healing and teaching in an insightful and powerful voice katharine jefferts schori presiding bishop of the episcopal church explores the meaning of mission in the context of contemporary life reminding us of the anglican communion's five marks of mission proclaim the good news of the kingdom teach baptize and nurture new believers respond to human need with loving service seek to transform unjust structures of society strive to safeguard the integrity of creation and sustain and renew the life of the earth

we do not necessarily flourish where we were planted therefore we must go to the right place and to people who are willing to pursue restoration with us as well as within us if you are wondering if this is possible some personal biblical and historical examples showcase how this can not only be achieved but reproduced chaplain wade jensen shows how these examples can serve as a blueprint so you too can achieve restoration god is a master builder and rebuilder no matter how broken the pieces are god can heal wounds and restore you so you are better than before in fact god's purpose for restoration extends to every person both to the offender and the offended when we pay attention to god's word the ensuing restoration can transform everything from a mindset to a community restoration can be time consuming and even painful but it will bring you closer to the lord your dreams and a meaningful life it takes a dreamer to restore a dreamer

god's heartbeat is written with transparency sincerity and passion the book guides the reader in their walk with god by challenging them to take an inward look at the state of their heart and life it takes us all on a journey from the day we say i do to jesus christ to some of the challenges that this decision will come with ultimately the author shares the benefits of living a life in pursuit of the perfect will of the father the book addresses key topics including identity purpose and prayer this book is perfectly packed with self reflection questions at the end of each chapter and prayer points it is the perfect aid for the mature young or new christian who wholeheartedly seeks to strengthen their personal relationship with god
